

# Prescription cabinets, Prescription slot deposit boxes, medicine cabinets and sample deposit pots.

---

## Prescription Cabinets

---

A UK manufactured product featuring a single row suitable for either folded or unfolded prescriptions. Drawers are 18<sup>3</sup>/<sub>4</sub>" deep for folded and 14<sup>3</sup>/<sub>4</sub>" for unfolded prescriptions.

### Key features

---

- Strong, robust construction.
- Single drawer for neat, compact storage of either folded or unfolded prescriptions.
- Drawer runners for smooth opening & closing.
- Lockable with two keys supplied to comply with CQC regulations.
- Supplied with twelve fixed metal dividers, which are attached to a metal plate. These may be removed if required.
- Metal dividers are preset at approximately 25mm apart.
- The product is manufactured from 0.9mm mild steel with a 0.1mm powder coating.
- Option to order frame & drawer fronts in different colours at no additional cost (as header shows).
- Choice of 18 standard powder coated colours.
- Metal dividers may be ordered in any standard colour.

### Options

---

- Alphabetical dividers for use in our prescription cabinets. One set contains 26 separate cards, which are manufactured from 0.5mm white plastic. These are available at £9.99 per set.
- Additional 4 x fixing holes are optional which will allow attachment of the cabinet to a desk etc. There is no additional charge for this service.
